

Trinity Catholic School

Preschool – Sixth Grade

115 East Fifth Street

Oswego, NY 13126

(315) 343-6700

www.oswegotrinitycatholic.org

Dear Parents and Guardians,

As you are aware, in an unprecedented move, the Oswego County Legislature has declared a State of Emergency which included the closing of all schools in Oswego County. Trinity Catholic School will remain closed until Tuesday, April 14th.

Your child/children's teacher(s) are preparing lessons for the students to complete during their time at home. Many lessons, particularly for the older grades, will require use of a Chromebook or computer as well as internet access. Once you receive your child's lessons, if you do not have access to the internet or a device, please contact the school office, 315-343-6700. Spectrum is offering a 60 day free trial. In addition to the work assigned, there are multiple free websites you can visit which will enable your child to reinforce their reading and math skills as well as explore new topics in all other subject areas. Please be mindful of all websites visited by your child.

All assignments can be picked up on Wednesday, March 18th at the time specified below, according to the first letter of your last name. Distribution will be from the gymnasium doors. One person from each car is asked to come in to pick up the materials. **Please bring your child/children's backpack.**

9:00- A & B

10:40 - M & N

9:20 – C & D

11:00 – O, P, Q & R

9:40- E & F

11:20 - S

10:00 - G, H, I, J

11:40 – T, U, V, W, X, Y, & Z

10:20 – K & L

I encourage you to set up a daily schedule for your child. We begin our day always in prayer, the school's mission statement, and with the pledge of allegiance. When the day's work is complete, conclude this portion of your day again in prayer. Despite this hardship, we are all healthy and have much to be thankful for. This time outside the classroom should not be considered a vacation.

The CDC is encouraging social distancing. You can visit their website, <https://www.cdc.gov>, for the specifics. Social gatherings of children, sleepovers etc. should not occur. Our efforts now will reduce the number of infected in our

community. Stress handwashing, particularly before and after meals and when returning home after being outside, whether at the store, the playground, or in contact with other people.

The school office will be open during this time but only essential staff will be working. If I do not answer the phone when you call, please leave a message or send me an email, bsugar@syrdioocese.org. I will do my best to answer any of your questions.

Sincerely,

Barbara E. Sugar, Principal
