## Join Us for a Great Day!

Dust off your clubs and gather your friends for one of the best tournaments of the season. Trinity Catholic School's Eighth Annual Captain and Crew Golf Tournament will be filled with laughs, prizes, and great food. Canale's Restaurant and Rudy's Lakeside Drive-In will be providing food on the course. After golf, we will head to Greene's Ale House for a steak bake with all the trimmings. All of this is included in the entry fee.

Your team will also be able to participate in a skins game, and you can buy mulligans, red tees, and a 3-foot string to use on the greens. A 50-50 raffle along with raffle items will also be available.

All proceeds from the tournament will be used to support Trinity Catholic School and its mission to provide for total student development and prepare the leaders of tomorrow.

## Trinity Catholic School

As the only Catholic school in Oswego County, we pride ourselves on providing an educational choice for families who are looking for a school where children are treated like family and an emphasis is placed on community. Families enroll their children at our school because they recognize the difference the right school makes in the lives of their children. The care and compassion we have for our students and our commitment to educating the whole child makes Trinity Catholic School a unique place. Academics are rigorously emphasized, but equally important is the social, spiritual, physical, and moral development of each child.

Small class sizes are one of the greatest advantages of our school. Teachers are able to give individualized attention on a regular basis, creating a nurturing, supportive community in each and every class. All faculty and staff members get to know all students very well, allowing each student to have a program of study tailored to his or her specific needs.

Trinity Catholic also offers a pre-school program for both three and four year old children. Pre-school classes run from 9:00 to 11:30 every day.

Before and Aftercare are available for all students, including Pre-K.
